WORK EXPERIENCE

Housing and Residence Life, University of Southern Mississippi   **Hattiesburg, MS**
Desk Assistant   *October 2023 – Present*
- Managed front desk operations at a bustling university dormitory, overseeing the entrance to efficiently handle over 100 passerby per hour, ensuring smooth and secure access for residents and guests.
- Elevated customer service standards for residents by implementing a personalized greeting system, leading to a 15% increase in resident satisfaction ratings within the first 3 months.
- Executed proactive problem-solving for common resident issues, such as lockouts, with a record response time of under 5 minutes, enhancing resident trust and safety.
- Fostered a cohesive work environment through effective communication strategies, contributing to a 20% reduction in miscommunications among staff, thereby improving overall operational efficiency.

Noble Academy Secondary Boarding School   **Kawasoti, Nepal**
Middle School Teacher   *September 2021 - December 2021*
- Crafted and delivered dynamic science and mathematics lessons at a reputable boarding school, instigating a passion for learning in three classes of 50 students each.
- Employed innovative teaching strategies that fostered active engagement, leading to a 25% increase in students' test scores and a noticeable enhancement in their critical thinking skills within a semester.
- Promoted an active learning environment that encouraged questions and hands-on activities, resulting in 95% of students demonstrating improved analytical abilities and a deeper understanding of scientific concepts.
- Collaborated with a team of educators to integrate interdisciplinary approaches into the curriculum, which was instrumental in providing a holistic educational experience, reflected by a 30% rise in student participation in extracurricular science projects.

LEADERSHIP EXPERIENCE/ INVOLVEMENT

Google Developer Student Club, University of Southern Mississippi   **Hattiesburg, MS**
Member   *September 2023 – Present*
- Engaged in bi-weekly meetings with the Google Developer Student Club at the University of Southern Mississippi, significantly enhancing technical and professional skills through hands-on workshops and industry-led talks.
- Contributed to the development of a task scheduler web app, showcasing strong collaboration, project management, and coding skills.
- Leveraged technologies such as React for the frontend and Firebase for the backend, ensuring a seamless user experience and robust data management, thereby enhancing project planning and execution capabilities within the club.
